“Dad - Today you have been gone from our arms, but not from our hearts, for two years. I think of you often and pray you are resting in peace. Don't worry, we're all taking good care of Mom, I know she misses you dearly! Love, Deanna

“I see the hunting pictures posted, so i have to share a story. I was a young teen and i would go up north with the malczewski family as i othen did. At night time my brother in law gathered his younger family members and myself, to go look for deer. Frank and one of his brothers drove us deep in the woods, tell us a story about crazy mary and all the long tales that went with it. Then the headlights turned off.they got to the spot where she supposedly lived and the adults said i see her, i see her lets go go. The car took off fast and all us kids screamed, and screamed. Frank acted like he didn't know the way out. After he took us all to the dairy queen in town. It was a blast.Frank had me convinced that she was real until i was about .

“ *I've known Frank and his family now for around 23 1/2 years or more. I remember when I first started dating his sister-in-law, Bianca, Marie, Frank, Bianca and I were sitting around the kitchen table at their home when out of the blue Frank asked Bianca "where did you meet this bum?" I thought Marie was going to choke. She told me then "don't mind him, that's just Frank being Frank". A year or so later he asked Bianca, "are you going to marry this guy or not. If not he told her he was going to marry me". I guess that was just Frank's way of saying that he approved of me marrying Marie sister Bianca. I've been blessed to have know Frank and Marie and their family. My prayers are for Frank to rest in peace as his soul is now in Heaven along with his twin brother and other siblings and his parents who passed away before him. My other is for his wife Marie, his children Jerome, Deanna, and Frank Jr and his grandchildren, other surviving relative and friends. As we mourn the loss of Frank Malczewski, we also need to celebrate the life he had with us all. Give us all peace, strength, and comfort as we go through this time in our lives. This I pray through Jesus Christ our Savior. Amen.*

“ Uncle Frank, your laughter and sense of humor will be missed but not forgotten. As you reunite with Johnny and the rest of the family who has went before you, please share your jokes with them. We'll keep smiling down here in fond memory of the joy you brought to all of us, We'll miss you during deer season, and there will more beer for the rest of us now for sure. May you walk with the Lord and remember He may not have the same sense of humor as our family. Auntie Marie will be in our prayers as will Jerome, Deanna, and Frank, our deepest condolences on their loss, and for the entire Malczewski family. In loving memory,

*Tommy Copeland and family*

*It would seem that the minute we arrived up north Uncle Frank could smell that we were there and within an hour of arriving Uncle Frank would pull in the driveway. He would sit in the garage (in the sun of course, because he was always cold) and tell me to get him a glass so he could drink his beer. Uncle Frank never failed to ask how everyone back home was and we would chat and laugh and drink a few. At some point in the course of the conversation he would ask if we could stop by to help him with a few things, (which of course we did while he sat and told us what to do and where to put something) Your still number one Uncle Frank and we will miss you.*

*Love, Mike and Andrea*
