“ *I first met Frank at Selfridge ANGB back in 1977. I had just joined the 305th ARRS unit and was assigned to the Fuel System Repair area. Frank was working in that area and we pretty much became friends right away. I worked with hi for many years within the unit and become very close. We became best of friends and did some traveling together, and we use to do a guys night out whenever we could work it out.
Although we hadn't seen each other in many years, I still considered hm one of my best friends.
I will miss him very much. Rest in peace buddy. You will be missed.*
