“ *Dad,  
It broke our hearts to lose you both. You didn't go alone, a part of us went with you the day God called you both home. We think about you everyday and wish you were here. We miss your smile, sense of humor, and your thoughtfulness. Thank you for being there for us when we needed you. We love you, we miss you. You will remain in our hearts forever.*

“ Dad,  
I'm gonna miss how you would look at me and say is that you Sandy and the big smile you would give. You and mom were the best parents, always thinking of Dee & me and our families. I miss you so much already, but you are with mom now. Tell her I miss her and our lives won't be the same without you both. Tell mom to keep sending all the signs to us. We love you and will miss all of our happy times together.

Love,

Sandy##imported-begin##Sandy & Bill Whaley##imported-end##
