“ Susan and boys..... my heart is broken but as a believer I know Frank is in a far better place and knows now what we all believe in. He has met Jesus, he is with the faithfully departed relatives that all believers know they will see again. Frank was a good man, a great friend, an awesome husband, brother, uncle and father. He was dedicated to his family, his faith and a true friend. He will be missed by many so very dearly. I am so sorry we were unable to attend the services for him, we are a few hours away on vacation and speaking of vacations, the memory of the times we all went to Key West together for a week, is one of the fondest memories of our time with the both of you. Susan though I didn't see Frank often after I left GraPar, he was like a brother to me and it was like leaving family for a whole new venture. When I found Sheila, it was the beginning of the marriage that was all I ever wanted was a marriage like you and Frank had. Partners for life. I used to tell Sheila all the time, you both were the example of what I truly wanted in life, my entire life and the guy you used to know as "Bones", I knew that in your heart you knew too that wasn't truly the person I was. I will cherish our friendship until the day our Father calls me home and then through eternity. Again to Susan, Frank Jr., Scott & Jason, may my buddy the Frankster, rest in eternal and everlasting peace. His memory is restored, his health is restored too, and I just know he is on that 50 and over soccer team feeling restored and new! Love you all and you are in our non-stop prayers. Steven J. Bono (Bones). xo

“ I will miss you, Frank, always my passionate, competitive, animated and stouthearted left midfielder when I played left forward for the Anchor Bay Soccer Club starting 24 years ago. Thanks to you my beer horizons broadened considerably that rookie season! I cherished our numerous team successes as well as the times we socialized off the pitch. I loved that you received the Lady Byng Award in Goderich where we had many memorable tournaments and tailgate parties. I missed seeing you at Ron's Superbowl party weekends where we always enjoyed beverages, boot hockey, great food, campfires, playing euchre/poker, and listening to Kenny's incredible snoring! I am sad to see you go as a new chapter has begun in my own life. I would love for you to have met my new bride Jenny (August 6, 2021) and my stepchildren Joey (20), Will (18) and Lizzy (9). Please watch over your family, friends and all of us in my new family as you journey to the next level beyond this world. Rest In Peace, Frank...know that you are so loved and will be missed...!!! Love, Jude & Jenny Stratford and family

“ *The 1st time I met Frank is a wonderful memory for me! He was standing outside smoking a cigarette at a family event. When I came out. Susie introduced me to Frank. Frank had just came home from the military. He was standing so proudly in his uniform. I was all of 16 yrs. Old. Looking at Frank...the very 1st man I had ever seen in dress uniform. So handsome. So proud! I'll see you again Frank...on the other side. God bless*

“ *My memory will always be the wedding of Frank and Susie. I was a young girl of 6, our family drove from New Orleans area to Detroit. My oldest sister Michelle, who passed away from breast cancer, was standing in this Cinderella wedding! I watched in amazement and always thought I had a Prince Frank and Princesses Susie as cousin's! Much love, hugs, prayers and sympathy for you and your beautiful family Susie. Frank was your ever after..*
