“ *With the passage of time friendships part, yet the heart always remembers. Gordie, Claudia, Greg and my dear old friend Cynthia, my thoughts are with you, taking me all the way back to grade school days. I remember being on the Wilczynski front porch long, long ago with the whole family. Even took a cruise back to the old neighborhood last summer. Hope you are all doing well with wonderful memories of a life well lived.##imported-begin##Judy (Gilbert) Caroselli##imported-end##*

“ *Dear Gordie and Greg,*

My heart goes out to both of you in sympathy. Your Dad was such a kind, gentle man, and he always took good care of his health.

Be consoled by the many memories you have of him. My Dad died in 1999, and I still think of him often.

Your Dad was an avid sports fan, and I know he was a loving father and a good husband to your Mom, Aunt Mary.

God bless you both. Please let me know how you are doing.

Love,

Cousin Pat in California##imported-begin##Pat Rarus##imported-end##

“ I was very sorry to hear of the passing of "Coach Frank" I was a member of the 1971 State Championship Baseball team that coach was a instrumental part of.As both a Pitcher and outfielder on this team,i had the privilege of working on a daily basis with coach.Coach always taught hard work, and a sense of team,anyone who had contact with this club knows it was a characteristic built into us.Coach Frank was certainly a part of that.Gordy, i hope all else is going well with you and your family.Rick Radzinski.##imported-begin##RICK RADZINSKI##imported-end##
