“ The first time I met Mr. Mancinelli was the day he moved into his house on Grayton (6010, I recall) and he bought ice cream from the Good Humor for all the kids on the block. We thought Santa had moved into the neighborhood. What a great neighbor he always was. His was the first house that I tasted real Italian spaghetti. Such memories. My prayers are with all of you.##imported-begin##Patt (Aranowski) Saura##imported-end##
