“ *May the sun bring you energy everyday, bringing light into the darkness of your soul.*

May the moon softly restore you by light bathing you in the glow of restful sleep and peaceful dreams.

May the rain wash away your worries and cleanse the hurt that sits in your heart.

May the breeze blow new strength into your being and may you believe in the courage of yourself.

May you walk gently through the world, keeping your father with you always, knowing that you are never parted in the beating of your heart.

Our Love for you goes without saying. John and Christine Kavalick
