“ *Fred was such a nice and honorable man. He was a very successfull person who didn't need to be arrogant or showy. He was very intelligent and yet down to earth. He was tough and demanding however he always made you strive for more. He was loving and kind. He always tried to be fair. He taught his great grandchildren how to live their lives. He was a great example for the next generation. We'll miss you Fred! Love Bev*
