“*Mrs. Nellis had a heart of gold. She was kind and compassionate and always had that beautiful smile every time I saw her. I was lucky enough to have her daughter Janet as one of my best friends in high school and even to today. I'll never forget when my mom and I joined her and Janet and went to Soaring Eagle Casino. We laughed the entire weekend. She was a wonderful person and I know she truly loved her family more than anything. She will be missed, but she leaves behind an incredible legacy!*”

“ *I loved her so very much. She was like my second “mom” my mentor my confidante my friend during my troublesome years involving bad relationships no relationships family issues etc... Mrs Nellis was my angel in times of need and in times of needing to be heard. She always had time for me no matter what. She didn’t sugar coat anything. She was straight forward with her advise and she was truthful. She kept me on the straight and narrow with her wisdom and advise. She was an amazing women. Her strength of character sustained her and her faith guided her. Our last conversation (not too long ago) she said to me “I’m ready .... I miss Bob” I could see it in her eyes... she was at peace. Mrs. Nellis was a gift to our family that I will treasure for the rest of my life. She will forever be remembered in my heart

“ *Aunt Frieda was my favorite “northern” Aunt. She was always so cute and funny. Quite the firecracker too. She even came to my home in Manchaca and met my husband. I think only my oldest daughter was around 2. After my husband died, I went back to college and Aunt Frieda and I had many conversations about the Nellis family tree. My college project. Even though I hadn’t seen her, I always felt she was nearby . I know she was always thinking of us and we are of her. I know she is having one hell of a reunion in heaven right now. She is at peace and whole once again!*
