“ Zio Tanio,

*I will miss you so much, I thought of you so often even though I haven't seen you in many years. My dad loved you so much and so many times when thinking of my dad it brought back memories of you two together giving each other a hard time. For me at least i know you will now be with him and he will be so happy to see you and say " what took you so long" LOL... I love you and will always miss you.*

*To Zia Mary and all my cousins I wish I was there to help you through this difficult time. Love you###imported-begin###Silvia Mirabella & Siena Mirabella###imported-end###*
