“ We were still teens when Gary had a car that had a bad alignment and maybe no power steering. Uncle Milton tells me to go ahead and feel Gary’s muscles because he’s bulking up trying to keep the car straight. Who’s going to tell Uncle Milton no?! He will be missed.

“ Gary, was my childhood crush! We were such good friends, funny we both liked each other but ..kept it to ourselves. With our neighborhood kids we enjoyed each other’s company. I could talk with him easily! Dang it! He and I as teens shared a love of cars beautiful muscle cars all these years ! I will miss my friend. We were reunited thanks to Facebook. My heart is broken. I pray he finds peace my deepest sympathies to you all especially his beloved daughter whom we talked about so often! Gary, I’ll see you again soon. 🙏😭😞
