“ Marie, this is Larry Kopczyk. I just wanted you to know how sorry Pat and I are for your loss. It was an extreme shock to us when your Son called and told us of Gary's passing. Gary and I have known each other and been close friends since the mid 50's. We had been making plans to get together for dinner at Mexican Fiesta in Hartland. Unfortunately things never worked out for it to happen. Gary and I grew up together and played numerous sports together. It was a fantastic childhood with myself, Gary, Roman Supron and Dave Domine. Such wonderful memories that I will treasure always. Losing Gary leaves a hole in those memories but does not erase them at all. I know these are horrible days for you and your family. Pat and I wish we could have been there to say goodbye to Gary and help comfort you in any way we could. Unfortunately the virus has us taking all the precautions possible, due to the fact I am a recovering heart attack patient and Pat is diabetic not to mention being on the wrong side o the age group. We honestly wish we could have been there for you but like I say we are being extremely cautious. Please know that we are thinking of you. God Bless.

“ Gary, It's been a long time and a short time. For nineteen years I've had you for the best neighbor that anyone could ask for and then suddenly you left. I'm going to miss all the conversations we've had over the years. There were many, about everything. All good ones. I'm really going to miss you, my friend. And don't worry about the power going out. I'll have Marie plugged in right away. Douwe.

“ Marie, you and the entire Couchman Family are in our thoughts and prayers. I had the honor of working directly with Gary on many projects at Macomb Community College and he was the consummate professional. Beyond the mechanical engineering challenges, Gary was always ready for the annual Student Scholarship fund raising golf outing for the College. Whether it was work or golf, Gary approached everything with a smile.

“ My deepest sympathy goes out to the Couchman family. Gary and I worked together at IDS and he was one of my favorite co-workers; such a gentle spirit. Marie, I pray God will comfort your hearts and grant you His Peace.
