“ Dear Healey Family,

Please accept our sincere condolences over the death of your loved one. When we lose someone it is only natural to mourn. One thing that has helped bring myself and others a measure of relief and comfort is knowing that the suffering will end soon. In fact, one scripture reveals a promise from the Creator, “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.” Rev 21:3,4 JW dot org

“ Omigosh Santa-G. I am so glad that God poked you to call me and we talked on the phone a few weeks ago. Tell him thank you for me. I will cherish our conversation forever. Fly high with the angels as you earned your wings and a place in heaven.

It came as a shock to me, to hear that Gary had passed away. We were good friends growing up. We were the same age, so we were often in the same classes at school. We also were in the same Sunday School classes. His father Frank Sr., was our Sunday School teacher for many years. We both were in Christian Service Brigade and shared many good times camping out and canoeing. Most recently, we sat together at the Utica High School class of '67 reunion that was held a few years ago. It's hard to believe he's gone. My sincere condolences to his family. He was a good guy.....Bill Grapentine

I worked with Gary for over 30 years at Kelly. Every time I would call him on the phone he would answer "Bill's (or Joe's) garage". That would always be the start of an amusing conversation. Between his talking in unknown languages or our discussions of his various Zen trips (both physically or mentally) our conversations were never dull. I will miss him and his quirky outlook on life. A life well lived my friend. Rest in peace. Time to close Bill's garage.
