“ I will always remember when we shared a Xmas morning with you guys, Julia was just a baby then, it was one of the best Xmas I can remember, you all were so great and I also loved breakfast. Scrambled eggs with ham, onion, cheese and it was incredible. My kids remember him when I say very tall and skinny and a Shriner's clown. A good man who hung in there and is at peace now. Too soon,

Norine, Ray, Julia and Heather Marsh
