“ We were so sorry to hear about Gary. I have prayed for so many years for him, and will continue to do so. I have so many fond memories of him as a child. Its too bad miles have kept us apart in adulthood. I am very happy that he has had such a great life with family and friends. He has always been and always will be so special to so many people.

Love,

“ Joy,
Gary and I worked together in the Fuels Group. He was ALWAYS the main light of my day, making me laugh, letting me vent, making it all seem okay. I am terribly sorry for your loss. Even more so, I am terribly sorry that a person like Gary is not here anymore to have the impact on this world that he did. God bless you and your family.

“ Gary, you will be missed. May God bless you and your family. Our thoughts and prayers go out to everyone. You fought valiantly during your long battle throughout your life. Your attitude and endurance were amazing throughout it all, even while you wore those hats in your back yard to hide your bald head, it never stopped you from living.##imported-begin##David A.
