“ Gary was a very nice guy who carried with him a childlike happiness and interest in all things. I don't remember ever having a boring conversation with him. I knew him from the dog park. He was very loving with Gracie, and she adored him. We'll all miss him.

“ *I'm sorry I can't be there in person, but I'm there in spirit. I send my love and my prayers to all who knew Gary. He was a wonderful son, brother, dad, friend, and my life partner. Gary always put his family and friends before himself. We will miss him so. We all have many special memories of Gary that we will keep close in our heart. Gary I love you so much. You have brought so much happiness and love into my life. I will miss you so much. You were my soul mate and my heart will always belong to you. I know you are in heaven and one day we will be together again. I'm sorry we won't be able to fulfill our dreams of getting married; but we knew, that in our hearts, we were as one.*
