“ We have been taking our 5 year old Son to see him for merely a couple of months but Elliott loved to see him and was always excited to go. Gary was there long enough to open the door for Elliott to get on his medication for his ADHD which has helped immensely! For what little time we knew him, our hearts are very saddened by the loss and feel we owe a great debt if gratitude.

“ *Dear Karen and family, Gary was an inspirational leader and friend. I met him over 40 years ago at St. Francis home; his love for the boys was healing and his humor uplifting. Many tears and laughter. Years passed but Gary's influence often guided me as I taught children in special ed. I am blessed to have reunited with you both, Karen, in MT. All the joy of that reunion forever in our hearts. Prayers and love, Mary Beth*
