“ Mom passed onto the Lord on the last day of May, the month of Mary, the Blessed Mother. The funeral mass was held at Our Lady of Grace/St Cletus Church, and that was done on June 3rd, 2016, the Feast of the Most Sacred Heart of Jesus. I think it was time for her to go to the Lord, and the perfect days for her to do that were done as He, the Lord God, willed it, no matter what we her family wanted. Miss you, Mom.

“ My Mom set an excellent example of self-sacrifice and love for her children. She never complained about the work she had to do to raise the seven of us. She loved to cook and sew, garden, taking rides with us and Dad. We never knew the meaning of a babysitter. I remember as a child how she loved to sing, and the American Indian chant for putting a baby to sleep at night while holding and rocking us. She was beautiful inside and out, a true treasure I will never forget. She will be in my heart and with me in spirit forever. May the Lord bless and keep you, Mom, and cause his face to shine upon you forever in Heaven.

My dear Mother, the light of our lives. May the road rise up to meet you, May the wind be always at your back, May the sun shine warm upon your face, The rain fall soft upon your fields, And until we meet again, May God hold you in the palm of his hand.

My sister Genevieve (Teen) was a bright light in the lives of so many in her family and her gentleness and love will be greatly missed. She will always be with us and know that the light that is gone from us is shining brighter in Heaven. I am blessed for having sister Teen in my life. May our Merciful Lord hold her close and bring comfort and peace to her family.

Aunt Teeny, I can't say that I really remember you because that is true. I do remember seeing you and Uncle Val back in or around 1957/58. Dad was stationed @ Chanute A. F.B. It was Christmas break and cold as all get out. You and Uncle Val welcomed us in and put up with 5 more kids and 2 adults. That was the last time I seen everyone together. I leave the family with words that were sent to me after my Tom passed and words that I shared with my family when Mom passed on. Feel free to share them as you please. Goodbyes are not forever. Goodbyes at not the end. They simply mean We'll miss you, Aunt Teeny, until we meet again. I have inserted your name as I did for Mom. Please try and take some comfort in these words. Rest in Heavenly peace.
