“ *To all Dolly's family: I met your dear Dolly at American House... I'm part of a ministry team from Sacred Heart Church that brings weekly communion. I just loved your Mom/Grandmother/Friend/Aunt/Sister/Neighbor! She was so lovely and so appreciative and proud of you her family. I loved hearing how she got her name "Dolly". She made me smile SO much. I won't be back in Michigan and American House until the spring so I can't attend any services and tell you in person. Your Dolly is someone I'll always remember and truly miss. Please accept my deepest condolences. I still miss my own Mother so much (and it's been 13 years now), and my heart is grieving for you. I find comfort knowing my mother is now with HER mother and heavenly family. May you find comfort too knowing your Dolly is enjoying her sweet heavenly reward. Sincerely, Audrey Viglione*

“ Grandma, I am thankful for all the memories I have of you and Grandpa. The cottage was such a treat to visit growing up. Ill always remember your Amish chicken, home made rugs, and your "not taking crap from anybody" attitude. I love you and I will miss you.
Tommy.

“ I will always remember you in the basement sewing. The wonderful rugs you made. The way you always welcomed me into your home (and I was there a lot). You were always so much more than just the neighbor across the street and my best friend's mom. I remember one hot summer night, waking up to find you, Tom and my parents in our pool having a great time. Tom, Dolly, Ed and Dina had a friendship that most would envy. I know my parents missed their friends very much after we moved. Now all four of them are up there catching up and having a blast.

Love,

“ Thoughts and prayers are with you in this difficult time of losing your Mom. May you all take comfort in knowing she is with your Dad and Steve and no longer suffering and in pain, and that one day all of you will once again be reunited. With Gods Love and Grace he will give you the Peace and Strength to carry on until that time comes.
With Deepest Sympathy and Love,

“ I remember when I was dating Steve and at my graduation she called me her “beautiful Indian princess”. I have never forgotten those kind words. Also I remember as a teen driving up to the cottage with mom and she would barely be able to see out the window-She was so short! The car would jerk back-and-forth and I would get motion sick! 😊. Later we brought our kids up there and she welcomed everyone. We have many fond memories at the lake from years gone by.

I'm so sorry to say goodbye on this side but I know mom is no longer in pain and will never have another broken bone. She has crossed over and is at peace in Jesus arms. Love and miss you mom, from Tom, Mike, Sarah, Lillian, Weston, Rosie, Shawn, Zoe, Haven, Saige and Debbie xo

“ *The loss of a cherished loved one is the most devastating experiences a family can face. At times, the loss may seem unbearable. Please know that there are family and friends who care and more importantly Psalm 34:18 tells us that "God is near to those that are broken at heart. He is the God of all comfort. God will comfort you during this difficult time of grief. Our prayers are also with you and your family.*
