“ To the Alcini Family,
We are so sorry for your loss. My mother, Emily
(Wojtanowski) Kasprzyk-Wroblewski always talked fondly of your
mother. I remember when your parents dug a pond on their
property. One thing for sure we'll always have our memories.
You're in our thoughts,

“ Jean, (the perogi lady) as so many of us knew her by, will be
deeply missed but have the wonderful memories of all the things she
did for people. I have so many hand made gifts from Jean that are
everywhere, on my refrigerator, in my purse, on my dresser, and
even a special gift of a potato peeler she bought and sent me.
There is not a day goes by when I use it, that I don't think of her.
She truly was a "one of a kind", and I for one loved her very much.
She will always be with us all, who knew and loved her.##imported-

“Grandma” Alcini was a very special lady, her generosity knew no bounds; she was always thinking of others and putting their needs before her own. A deeply spiritual person, she shared her love for God, without being judgmental of others. Jean touched so many lives; she will be greatly missed.##imported-begin##Jan Watts##imported-end##
