“ I'll miss our little trips to my doctor's appointments at the VA, going to dinner at either Armando's or the Polish Village. Of course that was after our little detour to Motor City Casino! I'd find you at the same slot machines just rotating spots every now and then. You were always lucky, probably be more so if you didn't donate the money back to them! I don't know how I'm going to be able to go back to the VA without you. I love and miss you Padre!
