“ I was fortunate to work with George for many years. I was able to see first hand his knowledge in machining with the machines he operated, also his willingness to share that knowledge. We had some interesting times at the shop, long hours, long set-ups, laughter, euchre at lunch (when allowed), the list could go on. George was a great mentor for me, his knowledge helped me to do my job more effectively. I miss the time we worked together, and now I'll miss the times we were able to talk together and reminisce the old days.

George loved his family and the times they could be together, summer barbecues, Thanksgiving dinners, and Christmas.

George, you will be greatly missed. Rest in Peace.

“ *George raised some great kids who turned out to be great friends who have positively impacted my life. I know that his sons think the world of him. I'm sorry that I never got to meet George LaBoube. I've heard some great George stories though, and I think I would have liked him. Sending love and prayers to the LaBoube family.*
