“ So sorry for your loss. George was one of those people who always had something nice to say. I was lucky to have known him. The last time I saw him was at his house a month ago. He was very weak and I could tell he was hurting; however he took the time to talk to me. He was and always will be very special in my memory. I'm sure he holds a very special place in heaven!!!##imported-begin##Pam Betts##imported-end##
