“ Georgie, I'm so sorry that I couldn't bring you home but you are finally at peace. It was so hard watching you struggle for each breath. Thank you for staying as long as you could for us but we knew we had to finally let you go. Say hi to Grandma Jean for me. Who's going to tell us all of those corny jokes now?

George taught many CPR & First Aid classes to us over the years. We became close friends for a good many years. George you were an always had a kind word, a funny joke or saying to give us all. There are many fine people on this earth. But you won't find one better than George Thomas. He was the finest person I have ever crossed paths with. So caring. So friendly. So helpful. He will truly be missed by those who knew him. I can remember the many great times we had. The laughs we shared. And what a cook. But what do you expect when you were a firefighter. Sorry George I did not have a chance to catch up with you for awhile. I always enjoyed seeing you at the Red Wings games in years past. May God always bless you and be with you. May you Rest in Peace George.
