UNCLE George you and I hit it off right after Bodnar hired me in 1988. You dealt with my silly antics which made it a joy to come to work. In '89 when your birthday rolled around, I almost got canned! Wallpapered your office with birthday stuff that tore the paint right off the walls when removed. Oopsie!! I have too many fond memories to mention. Just know that you were loved by all those who had the pleasure of meeting you and you will be sorely missed. Hugs, tj

“ I worked with George through the many years at Midland/Haldex. He was a true pro and always willing to help. I remember the time we met up in Chicago to visit NAPA...he picked me up driving a Jaguar. I don't remember how the NAPA call went, but I remember that car! Still makes me smile!!

“ Worked with George for several years at Midland HDS in Owosso, MI before Midland moved to Kansas City. George was a professional in everything he did,a real stand up guy who stood up for his principles. I truly enjoyed the time I spent working with him and missed him when Midland moved. “ I am so sad to hear of George's passing. He was such a great man, always volunteering and always reaching out to help others at SPOT church and with the food pantry. I will miss you George and pray that God grants you an eternal home in heaven. May God watch over his family and friends.
