“ I am so sorry to hear of the passing of Mr. Weed. He touched so many lives. I all always remember him as such a supporter of the his kids and all of us who hung around the house. I am sure he never understood why I did not play basket ball at 5'11" however he would still ask about and watch our soccer with encouragement. Mr. Weed always wanted us to be successful and confident, I will always hold this in my heart and a part of why I made it to where I am today. My heart is with the whole family, I hope you can find some laughs and serenity reminising together. Kathleen, I am sorry I am not there, I am spending the day also reminiscing such great times at your house in the green room or dining room talking with your dad. Love you Julie

“ *So very sorry for the loss of Mr. Weed. Although I only interacted with him on one occasion, he was kind, thoughtful, friendly, warm, and treated all around him with respect and love. My parents remarked how much they liked Mr and Mrs Weed and it's easy to see why anyone would. You will be in my thoughts and prayers during this difficult time.*

“ So sorry to hear of George's passing - I knew him as a great basketball fan, devoted husband to Pat and great father to great kids. He was a fixture in the Fraser gym during Kathleen's playing days.

I also spent a spring with George as our daughters played AAU together. He was always encouraging and a strong supporter of every kid on the team. He will be missed.
