“ George was the first to welcome our family to the neighborhood and that was the start of our friendship. My boys adored him and he always seemed to follow their sports via Facebook or watching out his window. His comments to my boys always consisted of “ Proud to know you”. We’re the lucky ones George, we’re proud to know you! We will miss looking out and seeing you on your riding lawnmower and especially your Better Made chips at Halloween. Our heartfelt condolences to Kathy and George’s sons.

“ Prayers go out for the Family and Friends to have God's comfort in the passing of George. Knowing him for more than fifty years as our boys were great friends growing up and us reconnecting living on the same street now. May Kathy and his son's and families remember the kind man he was and all the memories they had. God Bless you all at this time...
