“ Auntie George (is what we called you), you were always so loving and sweet. As a young girl, I remember our family parties and the hospitality you would show. There was endless amounts of food and joyous laughter that filled the room. You always made me smile. I love you. You will be missed...if only I had seen you one last time (it had been too long), but I will see you again one day. God Bless your loving spirit.

Love,
Amanda Lambert
(your niece)
