“ Jerry was a ray of God's sunshine. No matter how he was feeling, he always asked about YOU and how YOU were doing. He was a giving person, doing a lot of good works behind the scenes. And he always made a person smile and laugh. He will truly be missed.

“ Jerry,

Now we will have to find someone else to joke around with at the Rambling Roses meeting . Seeing you and Karen at the meetings and your great sense of humor always made our day. Richard and I are going to miss you. However, the memories shared with you and Karen will always be with us. Take care our good friend until we meet again in Heaven.

“ Dear Kimmy and David,
I am sorry for the loss of your Father. Even though it has been so many years since I have seen him I will always remember his outstanding personality. It was always such a good time at your family outings, I will not be able to join you this weekend but you will be in my thoughts and prayers.

“ *The Faulk and Lewis spent a lot of time together in our youth. I have many fond memories of Uncle Jerry. He had a boisterous and contagious laugh.*

He was a man that could make things that needed doing happen.

I'm sorry for your loss my dear cousins....you are all great people!

There are soooo many memories.

He was a kind man with a good heart.

Love your cousin,

Joe Lewis.

“ *It is with a great deal of sadness that I send this message, to Jerry's family. He was an old, & dear friend. I just thought he'd always be there, beating the odd's, & out on the golf course. We had known each other, for abt. 47 yrs. Good times, bad times & sad times.*

To Karen, David, Kim & the rest of the family, I send my condolences. Rest in peace, my friend.
