“ Well Grandma, this is one of your little snots! I am grateful to be one of those little snots and so very blessed to have had you as my Grandmother. You have filled the hearts of my family with smiles and love. Your daughter misses her best friend and your boys love you so much as do all your grand children and great grandchildren. There is a void in my family's heart that can never be replaced because of the warmth and love you showed us. Thank you for all the memories, love, smiles and laughter you have given me to get me through till I get to see you again. For now, enjoy the rest you deserve and join "father" by his side. Say hi to all those that have gone before you for me!##imported-begin##Robert Danko##imported-end##

“ Dear Mom

You will be missed so much by all of us. You were always there for me when I was in need. I could call you anytime to get a recipe. If it weren't for you I

would never have learned to cook and bake. You always had the best recipes and I will be able to pass them on to Shelly and Dawn

Say Hi to my mom and tell her I love her. You will be in my prayers always.

You were the best mother-in-law for 45years and I will miss you. You always have been in my prayers and always will.

“ Dearest Grandma -

We love you so much and are so sad to not have you here with us, but know that your suffering is now turned to peace. The joy you had when you saw your great grandchildren put a smile on our faces. Kendall, Xander, Brendan, Daniella & Sterling all love you and miss you. You have been part of our lives for so long that your passing will leave a hole that will not be filled. I know that you are now at peace with Uncle Duane and Grandpa and Grama Price looking down upon us. I will never forget the times we spent with you. We are and forever will be your Bolsheviks. I love you.##imported-begin##David Danko##imported-end##
