“ Will miss you Gerry, you were such a great and easy person to talk to. I will defiantly miss our conversations, even if they where the same most of the time. That just showed me how proud you where of your family kids, grandkids, and great grandkids. You were a brave person who spoke what was on your mind. Love you and will miss you.. I'm not going to say good bye because out of only 23 years of living I have grown to really hate good byes so I WILL SEE YOU LATER!!!

“ My thoughts and prayers are with the family. Pete still remembers your mom as the lunch lady at Beacon School. May you always remember the good times with your mom.

“ Dear family, I am sorry about the loss of your loved one Geraldine, and I want to extent my deepest sympathy. After the death of a loved one we sometimes wonder what will become of me now that they're gone. I have found comfort in Matthew 6:25-34, which tells us never, be anxious about the next day, for the next day will have its own anxieties. Please find comfort in these additional bible scriptures Luke 23:43 and John 5:28, 29.
