“ Dear Martha, Frances, Vicky and Marie:

I don't know if you remember me but I am the oldest of the Maitre children.

I am so sorry to hear about the loss of your mother. I always remember her with a smile. We used to have great times visiting your home in Ferndale (that was a long time ago).

Always remember she will be watching over you and protecting you, just like mom's do.

God bless all of you

“ Dear Family of Geraldine Feazell,

We are very sorry to hear about the death of Geraldine. Having known Geraldine we appreciate your sorrow. We were friends with her many years ago but have not seen her in awhile. We are part of the Our Lady of Loretto deaf community and knew her from the St. John's Deaf Community.

With deepest sympathy,

“ *To my dear friend Vicky and her family...a peaceful passing is what we hope for...a time to reflect on the wonderful memories our mother leaves us with...and a time to rejoice in all the good times you shared from birth forward. Each day wake up and say hello to her, even though she's no longer physically with you, and your loss will be eased by your memories!*
