“ Your Dad and Grand Dad was a high school classmate and friend and I extend my deepest sympathy at his passing. As with all youth, there are too many fun and wonderful memories to mention them all.

Please know he enriched my life with his smile and those memories are as fresh to day as they were in 1961.

Hope you remeber the good times to help you heal.##imported-begin##Betty Satawa Timmer##imported-end##

“ You were always a good man, both young and when older. We enjoyed a lot of good times in Hamtramck.

I pray you are at peace my friend.

You always left me with a smile and a laugh. Now a sad heart.
