“ Connie and sons, I was sorry to see in the paper of Gerry's passing. Please know that you are in my thoughts and prayers. I am glad I got to see you both last year. I still think of Gerry at Holloween in his brown robe, and always with that wonderful smile. Sure God welcomed him and asked him to join the Choir, and Jules was happy to see an old friend. God bless all of you. Patt

“ I can still remember the Sunday morning when my pastor, the late Monsignor Clifford F. Sawher, told me about some choir members who were looking for a place to sing because their church had been closed. And the rest, as they say, is history. We did so many wonderful things together...singing, bake sales, that Polish dinner, and who can forget staying those long hours in church because the decorations had to be just right according to Gerry's specifications. Of course, everything turned out beautifully!  
Connie, you husband really loved life and shared that love with those around him. I was fortunate to be one of them.

“ Dear Connie and family: I don't know if you will remember me from DWSD in the late 70's but I was the Public relations Director that worked with Jerry in Management Services area. What a wonderful, happy person-husband you had. He spoke about you all the time and the kids. He was very helpful to me when I first came there. May you find peace in knowing that he was a very special person to many people.

*You have my heartfelt Sympathy.*

“ Dear Connie and Bill,  
We are deeply saddened to hear of Gerry's passing. He was a fine man! I always remember his loving concern for those close to him and the pride he had in sharing stories about "Dad" (Bill).  
If possible we'll try and make it out there today, but if not, know that you are in our prayers and that we feel honored to have known Gerry as a friend.
