“ Think about you everyday, you are never off my mind. I love you so much! When you visit me in my dreams I wake up the happiest person in the World. You where the greatest man that I have ever met, I cant believe how long it has been that you have been gone, but as each day goes by its one day closer that I will be reunited with you. I miss your winks and gold dollars, more then anything in this world. Now I carry you on my heart and I know you would be proud. I love you.##imported-begin##Sara##imported-end##

“ Papa, I'm not sure where to start. I Love You sooo much, JJ does too. He will know all about you and the wonderful man you are. I want to thank you for all the help you have given me over the years. You never judged me, even in my darkest days. You were always there to comfort me, no matter how bad of decisions I was making. Tell mom that I miss her,and tell her all about JJ. The precious pictures and memories will never fade. I can only hope that your great grandson turns out to be half the man you were. I got your message and I promise. Keep an eye on Nana and help her stay well. I love you Papa, you are my idol. Hugs & kisses from JJ.##imported-begin##Kristin##imported-end##

“ Jerry,
We have been proud to call you & Sandy our Best Friends, since 1964. You gave each of our three children their baby bottles, taking each one into your own arms, while saying, that you would give back our baby when we left your house. We would have many Friends' visits, over the years. We cannot pick one trip, or vacation, with Sandy & you, that we liked best.
There would always be laughing & story telling about Chrylers', where you met Gary. Your teasing comments were light hearted. You should have been our generation, Bob hope. We have seen you fold laundry, wash dishes, & help Sandy prepare meals, while telling jokes at our house in CA. On that CA. trip, Lori's favorite memory, Marie Calendar's pie slices, you saved for her.
We do agree that you have always been a loving Husband, a great Daddy, caring Father, gentle Grandfather, & a Professional bottle-feeding Great Grandfather. Goodbye Friend. Please take good care of Judy & our Lori.
Love, Always, Gary, Diane, Amy, & Mark##imported-begin##Gary & Diane##imported-end##

“ *Sandy, so very sorry for your loss. Jerry will be remembered as a kind man who loved his family. He made fast friends at the Euchre tournament he came in first place at, seems like that was immediately before he became ill. He was in great spirits that evening, and you two were very generous to come and help Cam's hockey team. Cam remembers Jerry giving him silver dollars everytime he saw Jerry. We are all saddened by Jerry's passing.###imported-begin###Warren and Jaci Wilson###imported-end##*

“ To my dearest family,
Some things I'd like to say. But first of all, to let you know, that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here, there's no more tears of sadness; Here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I am with you every morning, noon and night. That day I had to leave you when my life on earth was through. God picked me up and hugged me and He said, I welcome you. It's good to have you back again, you were missed while you were gone. As for your dearest family, They'll be here later on. I need you here so badly, you are part of my plan. There is so much that we can do, to help our mortal man.
God gave me a list of things, that he wished for me to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night the days chores put to flight. God and I are closest to you..in the middle of the night. When you think of my life on earth, and all those loving years, Because you are only human, they are bound to bring you tears. But do not be afraid to cry; it does relieve the pain.
Remember there would be no flowers, unless there was some rain. I wish that I could tell you all that God has planned. If I were to tell you , you wouldn't understand. But one thing is for certain, though my life on earth is over. I'm closer to you now, than I ever was before. There are rocky roads ahead of you and many hills to climb; But together we can do it by taking one day at a time.
It was always my philosophy and I'd like it for you too; That as you give unto the world, the world will give to you. When you're walking down the street and you've got me on your mind; I'm walking in your footsteps only half a step behind.
And when it's time for you to go...from that body to be free.
Remember you're not going...you're coming here to me.##imported-begin##Anonymous##imported-end##

“ *My Deepest symphony to my Sister, Niece and Nephew and their family. Jerry was the greatest brother in law any girl could have. He was a wonderful husband, friend, father, grandfather and great grandfather. There wasn't anyone he met that didn't like him. He was such a joy to be around always full of jokes and smiles. I am going to miss him so much, however I will cherish all my wonderful memories of him. He is now in peace and free from pain. Love your favorite sister in law.##imported-begin##Gerry Casselman##imported-end##*
