“ We will miss you so much, we love you bunches. Please come and visit me, like you did the other day, and if and when I decide to make a Prime Rib, slap my hand or make me do the right thing by leading me. I will miss you so much, Gerrie. We love you, Dave and Jane.

“ Mom you were always there in my teen years, you brought me so much joy and laughter. I loved you like my own mother. You treated me like a daughter and I have many great memories thanks to you. I will miss you and hope to see you again. Rest easy, you raised great kids. Always in my heart, always in my memories xoxo

“ Gerrie, when we were kids I know I was your biggest pain, followed you everywhere. Lol as the years have gone by we became closer and closer. Your not only my loving sister, your my best friend. I know in my heart you are no longer suffering, but it doesn't make the pain any easier now that you have gone to Heaven. I know your with mom, dad and Ron and all our loved ones up there. Your in a better place surrounded once again by love. I miss you so much already, you'll forever be in my heart. I love you more then anything. I know now I have a Guardian angel looking over me til it's my time to see you again. I'll love you forever.
