“ I am very sorry to hear of the loss of your loved one, and would like to offer my deepest condolences to the family. During this difficult time, I hope you may find comfort in the words of Isaiah 25:8: "He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces.." Until that time, know that the God of all comfort is with the brokenhearted and those crushed in spirit. (Psalm 34:18)

“ My love & prayers for Bill & his family for the loss of my awesome cousin Gladys. Although my memories of Gladys are from my childhood days, I remember her as a fun loving person with a bubbly personality. You were my mom's close cousin that she loved dearly. I'm so sorry so much time had passed before getting to see you again. I will cherish our phone conversation we had about the family genealogy a while back. Although your memory was as clear as it used to be, you did remember Mom very clear & how much you cared for Mom. Thank you for being such a awesome cousin. I wish I could have made it to the celebration of your life but just heard about it today & distance to travel would not allow me to make it on time. God's love, prayers & blessings to you & your family Bill. Please stay in touch, life is so precious & too short not to. Your Cousin Sonia Wollner Malloni

“ One of my last memories of Aunt Gladys is when I drove my dad and step mom up to see her at my cousins' house. we played skip bo and had a great time. I have a great picture of Aunt Gladys and my dad together on my desk at work. All the fun times we had growing up when we would come to Detroit from water fights to going to Canada. I love her and she will be greatly missed by everyone. Tell the family in Heaven, we miss them, love them and will be with you all someday.

“ One of my favorite memories of Aunt Gladys was the summer i spent with her and Uncle Buster. We went camping and boating near the south cannal and Strawberry island. What a great time swimming, and fishing. Had a great time cooking over the fire and roasting marshmallows. Is there any better food than cooked on an open fire ? She was always very kind to me and my sister and brothers. i will miss her dearly and I Loved her very much. Randy.

“ *The Dziurkowski Family send our sincere thoughts and prayers to the Sanford Family during this very difficult time. Mrs. Sanford was a joy to be with during all of their family celebrations and treated us just like family too. Our most memorable times with Mrs. Sanford was celebrating her 90th birthday where she was so happy to be surrounded by her loving family, playing "Skip-Po" with her because she really enjoyed that game, and our trip to Coldwater to visit her dear friend Janet. Mrs. Sanford and Janet were friends for many years and we were amazed at seeing them together, it was as though they never missed a day together. May perpetual light always shine upon her.*
