“ Dear Paul and family,
I'm so sorry for you and your family.
I'll always remember the night I met her and how very special she was. Her smile lit up the room and I knew she'd have your heart forever.
RIP sweet Glenda, You're with God 🙏

“ Dear my friend Glenda Sue, I couldn't have ask for a better friend in you. Our lockers being next to each in HS was fate.
You had moved from the West side of Detroit and I from the East side. We had so much fun on our adventures...like taking the train to Toronto & walking through Chinatown, hitching back to the west side to see yours friends, traveling to Oakridge, TN with your mom & Boots in the car & dancing with the Gypsies till 2 am. And the time when your mom had to pick you up from my front lawn. OMG, Dee saved us so many times. We could look at each, not say word & bust out laughing almost peeing our pants.
Well, we grew up, got married, had kids & still found time to go out for dinner & play darts. I will miss you so very much. I hope you are (tapping) dancing with your mom. Until we meet again...
Love you always, Kathy

“ *Dear Paul and Family*

Praying that God will give you strength and serenity during this difficult time. As neighbors and friends for 34 years we have shared many memories watching our families grow up together during life's journeys ups and downs. The memories that we carry from the Ghostbuster stage, big wheel races, swimming, sleepovers, going up north to Lewiston, bringing the New Years in at Mirage, or going to the Paul McCartney concert, having Kool-Aid parties especially the one made by Paul Sr. We shared so much laughter and tears. There are so many wonderful memories it would be hard to just pick one, Glenda was always a shining light, full of love and laughter, an Angel on Earth to help guide, listen and support and most importantly love unconditionally. It did not have to rain to get a rainbow-she was the rainbow. We are so grateful to Paul for the support, love, and care he has given to her during her illness. After she was unable to speak you could tell they had something special as they didn't need words spoken to communicate, they had like a secret code of love. I know she will be watching and guiding us from Heaven and will miss her. May all the memories that you have be a blessing. Sending all our love The Fantuzzi Family.

“ *Paul,*
How I miss my beautiful sister Glenda. She loved all her family deeply, and her generosity was beyond compare. As, I look through pictures of her, I see many of the two of you with smiles spread across both your faces. Those pictures bring a smile upon my face as well. Thank you for your care and love you had for her. Glenda was an Angel here on Earth, but received her wings when she entered Heaven.
