“ Margie: Thank you for taking care of Glenn. He was in good hands with you. He fought his illness bravely.

Glenn was a cool brother. Who else would let his 16 year old brother drive his 1965 Corvette convertible to school everyday. Hanging out with him was great; working at Johnny's pizza together, going on dates and having fun. He was a great brother and will be sorely missed by all.

*Take care Glenn and thanks for being my brother.

“ Remember when I first hired in at the paper and you're late brother Bobby was so nice to me. I remember the years we played ball together you, Bobby, and I and a lot of other coworkers at the newspaper. Those were some great years, we had some great memories. I feel bad you didn't get to enjoy your retirement for many more years, because you deserved to. Anyways Glenn, always remember you for your upbeat attitude, and your kindness with others.

Rest in peace my brother, you will be missed by many.

“ I have been blessed to have known you as a brother in law and friend. I will miss our talks, jokes and your BBQs. You fought the good fight till the end and I will miss you. You were that person that tried to be a friend to everyone. You loved my sister with your whole heart and soul. Didn't want you to go yet..but God had other plans. Take your place among the angels. Your journey on this earth is over. Love ya always and until we meet again.... Theresa

To the Family of Glenn Szczesniak. my condolence go out to the family. I remember Glenn as a funny classmate who was a great basketball player and usually late to school for someone who lived next door to the school. I am truly sorry for your loss.

Gary. I am sorry for your loss. I remember how your front porch was always full of friends. Never realized there were so many of you. Always the best cars were parked on Canfield. I remember as we had to walk by them in a single file from the school to the Recreation Center. I am remembering your dad and how he took care of St. Elizabeth Church. I remember he rang the bells at Church. I got to go up there once. I am sure there are bells ringing for Glenn as is why I have this memory.

May God be with you and the family during this difficult time. Keeping all in my prayers and may God Bless.
