“ Glenn was like a second grandpa to me, for the last few years of high school, the years I needed guidance most. Unfortunately I lost touch with him over the past couple years, and for that I feel horrible. I know he'll rest in peace, because only the good die young, and Grandpa was not only an amazing person, but too young to be taken. RIP Grandpa.##imported-begin##Oniquia Valentine##imported-end##

He is very missed.##imported-begin##Samantha m Lundy##imported-end##

“ I am saddened to hear of Glenn's passing. It's been 37 years since I have talked to him. I have many memories of him from the days we lived with our parents on Farmhill. May God give the family comfort in this time of sorrow. May we all find peace and joy in the fact our Lord assures us eternal life through Him.##imported-begin##Daryl M. Tokarczyk##imported-end##
