“ Dear family, wanted to extend some words of encouragement in light of the passing of your love one Gloria Ann Bukowski. Death is like sleep in that the dead are unconscious and cannot do anything. However the creator of life can bring the dead back by means of a resurrection. In proof of that, God empowered Jesus to raise several dead people to life. - Ecclesiastes 9:5; John 11:11, 43, 44. Please visit jw.org for more encouragement.

“ I'm so sorry to hear about your mother passing. She was such a gracious lady and an excellent cook. She took time to write out her delicious recipes and share them with me, which I use to this day.

My thoughts and prayers are with you.

Our love and caring are with you all. I did not know your mother...but I worked with your father for many years at Fisher Body in Warren. What a great guy! We shared many laughs and were very good friends. He helped me learn the job when I first came to the department where we would both work many years. Great respect for him...a really good guy. Love and prayers in their memories. Don Brennan
