“ *John and Christine - I am so sorry to read of the loss of your mom. I remember her having the time of her life when she came to hear the band. It was always delightful to chat with her. I hope your memories of her pride and love for you and all of her family will bring you comfort and solace in the days ahead. Cindi*

“ *Our most heartfelt sympathy to the entire family and our sadness of not being able to attend the services. John and Gloria were the first couple we met when we bought the cottage in Caseville. Always smiling and welcoming. Together again once more.*

“ *So many memories of my Aunt Gloria from Christmas Eve on Fortuna, Birthday celebrations for all the cousins and our summer family barbecues. Cards, cocktails and comedy... what i wouldn't give to have a night full of charades, the minister's cat or indians (cuz we played "all the way"). My prayers and thoughts are with you all this weekend as I will not be able to attend the services. You have a wonderful family full of love and fun - your mother and father definately set the tone and led by example. Hold on to one another. Hope to see you soon.*

“ I am your mother's cousin and remember some of the good times we had together. We went to camp twice together. I also remember your grandmother and grandfather and had great times with them. I have a picture of the last time we got together with your mom and dad as well as Ruth, Leo, Eleanor, Don, Janet, Violet my sister Ann and me.

Your mom was ill for a long time and now she is at peace.

Love, Margaret Monaco.

It was always a joy to see your mom and dad come see us play in the band. They would always dance and have a great time. I thought that was so cool. You guys were so lucky to have them as your mother and father. I know you will miss them dearly.
