“ My husband AJ and I have known the Zube family since we were kids. Mrs. Zube and her husband were the center of a wide constellation of kids and grandkids and assorted neighbors, friends and friends of friends, and I was so impressed by the strength of the bond among the (many) siblings. Mr. and Mrs. Zube were such a great couple, too; I really enjoyed their descriptions of the many trips they took and adventures they had, living the dream way past the point in life where my own relatives had resigned themselves to the couch. I'm sure their adventure continues now, with trips that can't be tethered by time or space.

I had the pleasure recently to tell Mrs. Zube what an inspiration she had been for me. She was such a delight – funny, kind, and full of love; her passing is a profound loss for all of us who had the pleasure to know her. I take comfort in knowing her love and grace will live on through the example she set and the everlasting legacy of love and loyalty she nurtured among her children and friends.

“ Always admired Mrs. Zube especially during my years growing up on Barlow Street. Always upbeat, fun to be around and always felt welcome. May God continue to bless Mrs. Zube abundantly...

“ *This year was especially nice for spending time with my mother. I have fond memories of two cruises, two weeks in Florida, and many hours spent having her visit us in Auburn, Alabama. She was quite happy to just spend time watching the finches and hummingbirds right outside the screened porch, reading her hymnal, and the stirring games of dominoes, with very relaxed rules!*
