“ Gordy-Mike is a wonderful person. I refuse to speak of him in the past tense. He is a very funny and loveable person. The time we spent together in band with Mr. Shaner and Mr. Ashton was the best. You were very good friend to my brother and we will greatly miss you.

“ My condolences once again to the Wyrembelski family. I am saddened deeply by the loss of you Michael even though we've only known each other a couple of years. I will never forget your "excessive" but very kind apology with a bottle of Cristal(my first and only time I have had it!) that you brought into Kuhnhenns after our little situation! It still makes me smile after all this time:) There will be an IPA toast for you tonight at Kuhnhenns with everyone that works there! I will miss you much and say hi to your dad for me too. HAHA! I still crack up at that. You were so funny! Good memories!##imported-begin##Kryssie##imported-end##

“ I took my daughter's VW bug to Gordon and had to go and pay for a part that Gordie had put on her car right before he passed. When I went in and spoke with Michael, I had tears in my eyes listening to how heartbroken he was about his dad's passing. He wouldn't take any money and even fixed another part for us for free! He told me to just come back anytime we needed anything fixed! He was so happy to be getting the paperwork completed to keep Autohaus open. he definitely shared his Dad's great customer service! I am so saddened to hear about the loss of such a super young man!###imported-begin##Shirley McMellen###imported-end##

“ I am so very sorry for this loss. I knew his father since 1975 when I got my first Volkswagon Rabbit. Gordy taught Michael how to be a terrific person who truly cared about his customers. I was sadden when I learned in June about Gordy, now I am just more sadden with the loss of Michael. I can say without a doubt that both guys were wonderful people each had a kind heart, and was a people person. Rest well Michael tell dad I said Hi.  
You were a terrific son.##imported-begin##Pam Storks##imported-end##

“ Mike was one of my best friends when we were kids together at Little Elementary and Lincoln Middle and High Schools. Though i haven't seen him in years, many times since then I have wondered where his life was taking him and how he was keeping. I was devastated to hear of his passing, and I still find myself stunned to imagine that the friend who brought so much happiness into my life, and with whom i spent so many of my childhood days is now gone from this world. My sincerest condolences go out to his family for their immeasurable loss.##imported-begin##Chris Baker##imported-end##

“ We are members of Linda's Residence Inn "family". We have been staying there every month for 16 years and Linda is one of our favorite "family" members. We cannot even imagine the heartbreak Linda and the rest of Gordon's family are going through now. We never had the privilege of meeting Gordon, but know that if he was like Linda, his grandma, he was a wonderful, kind, and caring person. We want you all to know that you are in our thoughts and our prayers during this horribly difficult time. We love you Linda.
