“ My dear Goodin Family. My heart aches for you. I have loved Greg since he sat in my Language Arts class all those years ago at Eastland Junior High in 1992. I would come to your home and tutor him weekly and he would always side track our lessons with funny jokes and ideas how to pretend we were working....we did work. Lol. Throughout the years I would see him growing up, he would always come to see me...never ever getting passed calling me "Miss Corless". I'd look up to him and he'd give me a big hug remembering a memory from field days or classroom nonsense. We would laugh. He always cared about my new growing family, enjoying and talking about my Christmas pictures sent. I know God has a wonderful plan for you Greg. Be a good student!! "Miss. Corless" loves you.

“ Gary, Darlene, my Precious Annette and all who loved Greg...

My heart is so very heavy at this time I am both stunned and shocked in hearing the news last evening. I still cannot wrap my head around those shocking words! But I do know that there are no better hands to be in; than of the Masters hands! For everything there is a season and why Greg's season was cut so short none of us are able to understand at this time!

But know that God Certainly does; we have to know in our heart of hearts that he does not make a mistake. All I know is that there is a Reason and a Purpose that God called him home so soon. Take comfort in knowing that in time; all things are revealed and all things work out for the Good of those that love the Lord! Peace will come with time.

Oh Death Where is thy sting? We have a promise that this is not the end; but the beginning of life everlasting. God has spoken... Well done my good and faithful servant. He has finished his course and his race has been ran... when all is said and done; Greg won! Never a sorrow, never a tear can enter there. I like so many that held Greg in the highest esteem will grieve for him because... I will miss him.

I will miss the love and the bond that he shared with his parents and especially his sister "Netty". as well as all of his family and friends. He loved Netty more than life itself and my most precious memory was to watch him carry her to the dance floor and proceed to dance a slow dance with her! I could not contain the water streaming from my eyes that evening! A Gentle Giant, Bigger than life, yet as harmless as a kitten! Anyone that ever met or knew Greg knew this in their hearts.

My Thoughts and prayers go out to all of Greg's Family and Friends. Like Greg, I too hold a Very special place in my heart for Netty. So beautiful and so innocent. I lift you all up in my thoughts and prayers. I pray for Peace that passes all understanding, I pray that

God send a Band of Angels to gather his family and wrap them in love and a peace so strong; that only he can do. Gary and Darlene you raised a wonderful Son, Brother, Cousin and friend to many. Be Proud of the man he became and your influences that made him who he was.

With Love, Respect and the most heartfelt sympathy; know you are in my thoughts and prayers!

Always

“ *It is heartbreaking; but please find comfort in knowing God has a plan for us all & his plan was for Greg to be with him.*

If you think you are in charge and you don't look to God for comfort and guidance, then your heart will never be at peace. LOOK AT THIS SCRIPTURE;

Matthew 5:4 “Blessed are those who mourn, for they shall be comforted...

“ (Jesus' words)

So greive and Mourn, but know that Greg is in much better hands.

Even as a child, Greg seemed larger than life and now he certainly is. Greg has found peace & I am sure he is with Jesus asking him to watch over and take care of the rest of us.

I know words aren't very comforting nor will they bring Greg back, but search your heart and ask your maker for peace. Greg is at peace and he wants you to be. I will miss him.

My love and prayers are with you all.

“ Bubba such a kind soul, there aren't too many like that in today's world. I always liked that no matter how much time past we always picked up as if we were those two 7th grade kids on the football field behind Eastland Jr. We'll miss you friend...

“ I'm gonna keep this simple because words can't describe how anyone can explain The Lord taking such a great individual from so many of us that loved him. I'm gonna say two words that most may never here from me but they explain our friendship and the respect I have for you...GO BLUE!!!!
Rest in Peace "Bubba G"

“ My memories are so so many but I guess what my favorite memories of Greg are the many times he had always helped so many people in so many ways I wouldn't be able to list them all. I will never be able to forget "MA meat loaf".
