“ I am so sorry to hear of Gregg's passing. I knew Gregg since grade school via his brother Rick. Scrub baseball, curb ball, street football were always on the priority list after school and Gregg was a part of it. Gregg was the first to introduce me to the (once state of the art), portable cassette player. He loved music and often spoke of his vast album collection which seemed to be at a level to aspire to. Whenever you would get a laugh out of him it became infectious. God rest your soul Gregg. I'm sorry we couldn't play one more game of curb ball.
