“ Gregory it's been a year and a few months since you went home to be with our Lord. The days have been long and so lonely without you. I miss your handsome face and loving arms and kisses so much. I miss getting up and having coffee with you,, looking over at the empty chair where you sat,, I miss you reaching to hold my hand as we fell asleep each night,, but I know you are happy, you feel no pain anymore and I will one day see you again
I love you my sweetheart ❤️
