“ Greg was a kool guy. I remember he loved Groucho & "The Ghooul". We hung out together a lot and it seemed liked no matter where we went, he knew someone. He loved his drumming. I used to go with him when he played with Scotch. We used to wash walls together for work. He eventually turned out to be a pretty good bowler too. I have a lot of fond memeories of Greg and even though we lost touch with each other over time, I'll never forgot him.##imported-begin##Jeff Ortiz##imported-end##
