“ My condolences to Mrs. Bicknell and the family. I'll never forget the smiles, fun, and laughter along with a lollipop when going to get my hair cut from Guy as a child. I was fortunate enough to live right behind him as a neighbor and his son Johnny as my best friend. I remember him pulling up in the driveway many times after work and never seeing him in a bad mood. After he got into the house, who knows?? Lol
My God bless him and take care of him on the other side of eternity.
