

Guy Wynn

January 13, 1937 - May 10, 2025

Guy Wynn passed away on May 10, 2025 at the age of 88. Guy was born in Ypsilanti, Michigan on January 13, 1937 to Guy and Eva Wynn.

Guy was united in marriage to the love of his life Kathleen on December 29, 1958. Guy attained his bachelor's degree from the University of Michigan and was a very proud U of M graduate. When he wasn't rooting for his Wolverines you could find Guy cheering on the Detroit Tigers and especially the Lions. In his spare time Guy enjoyed taking care of and maintaining Chestnut Lake, golfing, and DIY home and care repair. When he wasn't involved in these extra curriculums Guy was traveling long distances to see his dispersed children and grandchildren with Kathy by his side. For the extensive Wynn family Guy was the GOAT Dad and grandfather. He will be greatly missed by all who had the pleasure of knowing him.

Guy is survived by his beloved wife Kathleen, his loving children Tony (Kris) Wynn, Tor (Nichole) Wynn, Jennifer (Mike) Stanley, and Deborah (Damon) Wynn. He is further survived by his cherished grandchildren Alex, Amanda, Austin (Allexandria), Victoria (Ben), Charlotte, Nicholas, Sullivan, and Cameron and his step grandchildren Lauren, Andrew, and Claire. He was predeceased by his son Steven and his siblings Joy, Juanita, Eris, and Lee.

Funeral services for Guy will remain private and have been entrusted to the

Wasik Funeral Home of Shelby Township.

“ Guy Wynn was my sister's father-in-law and included me in his family. I have fond memories sitting on the deck that he built on Butternut Drive in Michigan.

The season of these evenings was summer time when I was up from Texas, free from work as a teacher, to visit my parents.

One of my favorite parts of being at Guy's house was walking barefoot in his lush lawn. He was meticulous about his yard and this attention to detail yielded a carpet of rich, evergreen-shaded blades that were as soft as silk. Quite the antithesis of the scrub brush, drought tolerant St. Augustine grass we had in Texas.

Guy was Master of his yard and all who drove by admired it in envy. He was an intelligent man who knew the science behind growing green grass like a luscious head of hair.

*Thank you for such a sweet tribute.
He was special not to just us his children but almost every one he encountered.
He truly had a heart of gold.*

“ Guy and myself worked together in the GM Lab and then again on FLD's for AK Steel. Besides car pooling we also played golf over these years. A memory is when I survived a near miss due to a motorcycle accident; Guy purchased my next to be motorcycle possibly to keep of off bikes.

Miss our friends on the East side of the State since we moved.

Deepest symphaty.

May God's grace and peace be with you all.
